Number.	Date.	From or To—	Subject.	
207131	12-1	GE Co	Elec propelling machinery; gives itemized weights, water rates, list of spares, description of ventilators, cables, with prices.	530-1
207112	12-1	GE Co	Elec air heaters for submarines; request approval of 3300 watt heater at 255 degrees rise.	662-1
204	11-27 11-29	GE Co Bost	Cancellation of contract for pattail cable; asks reason for; heavy money loss to Co.	S&W 629
205877	12/5	To GE Co.	Quotes extracts in detail from report of test of Beck and Sperry lights.	708
207529	12-6	To General Vehicle Co.	Best price and delivery on fifty 100 V. Gnome motors. Total to be purchased 200.	736
206859	11-30	To General Vehicle Co.	T. C. Childs will arrive Monday A.M. instead Friday.	736
207 762	12-1	Genl Board	Submarine mine layer; outlines salient characteristics and request consideration; not recommended present program.	785
207317	12-5	To Gen Elec Co	Are considering installing a geared turbo generator cruising unit on. Reqt outline sketch, giving base, etc, of	251-9
207680	12/7	To G E Co	[illegible] ICO; lists machinery plans which are reqtd to be furnished By, with any changes that are to be made in same	554-9
208197	12-8	John C. Geiss.	Unique battery temperature thermostat controller; fwds sample. L	607
208351	11/7	General Insulating Co	Rock Floss in ground cotton cork; fwds for test	672

NR [illegible]

Number.	Date.	From or To—	Subject.	
26349	9/28	To R. W. Geldart	Pig iron; auth tomake shipment	629
200575	9/25	Key West (Gilbert & Barker)	Request purchase of furnace for installing in foundry; fwds catalog of Gilbert & Barker	615-6
200269	9/25	To G E Co	Cavite Radio Station; asks when prints showing oil cooling system oil engines may be expected	806
200522	9/28	G E Co T	Cavite Radio Station; expect to forward prints oil cooling system Monday	806
200547	9/27	G E Co	Oil eng set; cont 634; fwds recommendations from Co's representative in Philippines as to method of installing and changes recommended in	806
346	10/9	G E Co T	Motor generator set; Fed Co contract; 1st set shipped Sept 6th, 2nd Sept 20th, 3rd Oct 5th	629
346	10/7	To G E Co T	Reqt date delivery NY Yd power apparatus for 2 20 kw arc radio sets	629
201633	10/9	G E Co	Request 36" light be sent to works for examination in connection remodelling into Beck searchlight	708
202359	10/10	E.E.HOLLAND(J.P.Gillarrain)	Recommends that J. P. Gallarrain employed in Elec Dept., Norf, be appointed as draftsman at Yard.K	635-3
203185	10/21	Gen Elec Co	Submits list, estimates, on spare parts proposed for searchlights on SE reqn 30	708
202425	10/21	To GE Co Edison L amp Wks	Lamps do not fit in sockets; reqt maximum and minimum diameter of lamp base	675
203178	10/19	J. P. Gillerran	Applies for position, elec draftsman, Norf	635-1

N.S.E. Form 134.
